Re: 2009 Wine Tasting and Silent Auction

Dear Coach Ski and NSET Members:

On behalf of The Solace Tree for grieving children, teens, families and volunteers, I want to express my sincere appreciation for your \$8,000.00 donation from your September 2009 Wine Tasting and Silent Auction. The money received directly benefits our peer support programs and services, grief camp and art and craft supplies.

The Solace Tree is dedicated to children, teens and adults who have lost a loved one to death. As children and teens cope with their feelings, they have a greater chance to grow and establish healthy relationships within their community. A stronger and healthier youth make for a stronger and healthier society as these youth continue to mature and take on the leadership roles within their neighborhoods, schools and place of employment.

For the children,

**Emilio Parga
Executive Director
The Solace Tree**
