

Dear NSET members,

I would like to take a moment and sincerely thank all of you for the generous donation of \$1000.00. I feel blessed in this time of ill health & financial hardship, because of wonderful caring people, such as yourselves, who give so generously.

I would like to give your coach Eric Beye a personal thank you from the bottom of my heart. Their members have both been so helpful and kind. I wish for you, the members of NSET, that the spirit of this Holiday Season touches you as it has me.

Thank You, Again
